

1.2.57

a Lesson in the University of The New Covenant

Theodore Cottingham, April 23, 2004, at Trinity

1. I am come that you might have life, real life, true life, life abundantly, life in Me, life covered with Me, life throughout Me, life in Me throughout you, intertwined—one, being one. I love you.
2. I came and I gave My life a ransom for many. I came and I lived and I loved and I led and I lead you now to lead others into My leadership, into My lovership, into the abundance that I have provided, that I gave Myself a ransom for. I love you and I bless you this day. I put My arm around you and I pull you close. Feel Me this day. Feel My arm around you. Feel Me strengthening you, emotioning you, and giving you the love and emotion of physical strength, the emotional strength, the vision, the wisdom, the understanding, the all-encompassing knowledge, the all-encompassing Me that you need to do what I have called you to do.
3. That is to you and that is to everyone of you who read this, who hear this, who hear these words, who mine these words in years to come. I come and I call and I confirm; sometimes I plead, sometimes I beg, but I am there and I am with you, I am not a far off.
4. I came and I gave My life a ransom for many, a seed that fell to the ground by choice, I chose, I chose, My choice, I made My choice—I conformed to the image of My Father—My Father's desires.
5. I came, I come, and I call you to conform to My Father's desires, your Father's desires, your Father which calls you into the patternship of Me.
6. I fell to the ground and I died to be resurrected in the power of the Almighty and produce much fruit, and more fruit is producing more fruit and more and more fruit will produce more and more fruit which will produce more fruit, and that's how My kingdom works, and that's how My kingdom will work from henceforth—the repetition not which recreates singularly—but the exponentiation which reproduces exponentially. I love you. I love you.
7. Thank you for carrying My seed in you. Thank you for carrying Me in you. Thank your for birthing forth what I wanted birthed forth in you, and nurturing it, nurturing it, protecting it by your time with Me, by your meekness, by your humility, by your sinfulness not, but by your continued quest for sinlessness and purity in Me. I love you and I give you Me.

8. I love you and I give you Me. I love you and I give you Me, wholly, acceptable, wholly acceptable. Do you find Me acceptable? I find you acceptable. I have accepted you, I have accepted your sacrifices, your meekness, your humbleness before Me, your bowed knee, your prostratedness everlasting before Me. I love you.

9. I increase you now and I come before you with joy and laughter. I will cause you to laugh more because you have yearned, you have sought, you have sought to know Me in the fellowship of My sufferings as much or more than you have sought to know Me in the power of My resurrection.

10. You have sought to know Me as a man acquainted with grief, a man of sorrows, a man known of every infirmity, a man, a man, a man Ted, yes, a man, **all deity aside, a man. I laid it aside, and I came and I called and I conquered and I am your pattern.**

11. **Principles do not reign, relationship reigns**—relationship with Me, My Father, one, our Spirit, one, us altogether, one, one-ship in Me, Me-ship in you, leadership together, your leadership arising much leadership in your submissionship to Me, your submissionship to the meekness and honor and respect that I have called you to operate with in all settings and with all people, foundationed by Me, **arising forth now out of the ground into view, into full view**, into highly visible view, made visible by Me, Me and the words of My mouth, the words of My mouth and the meditations of My heart, which have become the words of your mouth and the meditations of your heart, coming forth into full view, yes, yes, now, today, coming forth, substantive, tangible, supporting structures of Me, living stones, rivers of living water flowing through you, flowing through Me, flowing into Mine who seek Me. I love you. I bless you this day.

12. Tender be with the tender. Tender be with the stone-hearted, and let My love flow through your eyes, your touch, your words and your tenderness. I am Me-ing you and everyone else who will let Me, young and old, rich and poor, well and infirmed, of status, of thought-no status.

13. **The priesthood of all believers comes forth Ted.** The priesthood of believers comes forth reader, hearer. The priesthood of believers comes forth arrayed in My battle armor, stallions all, freed, galloping, galloping, roaming, tamed, strong, submitted, led, and leading, led of Me, leading My charge, My purposes, what I am doing, Me-ing Mine, standing in the gap, warring forth in joy, laughter, and intercession.

14. Intercession grows in My body, intercession coming forth seen as the tool, seen as the way, seen as the path for leadership, and so much more.

15. **Leadership is intercesionship, and intercessionship is leadership in My kingdom,** and I come and I call and I confirm and My leaders come, My leaders call, and My leaders confirm. I love you and I bless you.

16. I will give you the keys, **I have given you the keys, speak forth the keys**, take My authority, walk in My calling, My anointing, My gifts, walk in Me, Me, Me, walk in Me, walk Me. I am power and I am all powerful. I am the alpha and omega, the beginning and the end, the first and the last, **and I do reside in you. I am more than your new nature. I am more than you have let Me be. I am truth and I am all truth**, I am the whole truth, and there is no truth, no true truth other than Me.

17. **Now enter into the whole truth that I am and that I have given you and that resides in you and walk the temple not made with hands this day. I give you Me.**

18. **Give Me you more, and let Me wear your mantle with you that I have given you, and see what we do together—meekness, honor, humility, respect, gratitude, appreciation, affirmation, confirmation, love, tenderness, gleaming eyes who bring the best out of all who fear nothing, nothing, nothing.** I love you and I embrace you this day.

19. Building arises on land that you yet see, but so close, so close, so touchable almost.

20. Fear not, fear no man, fear no inquisition, fear no council which calls you to account, fear no accountability, fear no fear. I am Me. I am you for I am in you. **You are you, I have given you you, and I have helped you to be you, you who I designed before the foundation of the earth.**

21. Now come forth continuously, continually in your design which you have freed, you have freed Me to free you so that you will be truly you, and enjoy the freedom that I am—one. I love you.

22. Freeing My body you are, freeing My body you will, freeing the freedom-makers. Thank you. You are not alone, I am with you. I have befriended you, I have touched you, I have protected you, **I have encased you in My hand and I know you. Thank you for knowing Me.**

23. **Thank you for never being satisfied with the shallowness of sitting in a pew, but coming to Me on your own in the wee hours**, on the floor in tears and pain and sorrow, and in victories, coming to Me, letting Me share with you, sharing with Me. I love you and I am your best friend. Thank you.

24. **Best friends make of Me to many who come inquiring, and at times even mocking**, opening their eyes and hearts to Me. I love you.

25. I come and I call and I confirm. I have called, you said yes, and you have said it day after day. I call, I call so often, and not always, but so often, you answer, you answer and you tenderly come with Me, come to Me with tenderness, and **I confirm that you are ready even though you still wonder and even at times, even thinking you are, but most of the times thinking you aren't. You are ready. I lift you now.** Draw back all the veils I

have. Do you see Me? Do you see Me clearly? I come and I call the operation of My hand, the purity of My power and love before you this day. I love you. I love you.

26. I give you Me.

Thank you.

Thank you.

Thank you.

I will not disappoint you.

I thank you.
